Dear Valued Customer,

**Re: Shipping line increases that will affect AU Local Charges – effective 1 July 2013**

Transtar wish to advise that we have received several rate increase notifications from various shipping lines effective from 1st July 2013.

These charges affect Australia Local Charges which covers both Imports and Exports from/to Brisbane, Sydney and Melbourne.

We have no choice but to pass on these costs.

Updated quotes will be sent to you once all increases are received and evaluated.
