Transtar Top 500 Private Business 私營企業首500強 - 全事興

IBISWorld 2017 rankings released | IBISWorld公佈2017年榜單排名

The IBISWorld 2017 list of Australia's Top 500 private companies has just been released. Whilst the top ASX-listed companies are extensively covered in the daily business media, there is a vast and thriving private sector which is often overlooked and rarely analysed.

Prepared by IBISWorld's team of analysts, the list ranks the top private, Australian owned companies by revenue.

IBISWorld剛剛發佈了2017關於澳大利亞私營企業首500強的名單。由於澳洲證交所上市公司經常廣泛在商業媒體中露面，往往會有大量正在蓬勃發展中的私營企業被忽視。經由IBISWorld的頂級專業分析師團隊採集資料，依據澳大利亞私營企業的年度營收進行排名。

Transtar International Freight has been a consistent performer by this measure and has leapt to #296 on the rankings, climbing from #320 in 2016.

全事興國際貨運在統一的評測標準下依據優異的表現從2016年榜單中的第320名攀升至2017年年榜單的第296名。
